TRIBUTE PORTFOLIO

Villa Ermellina is Siena's new benchmark for luxury hospitality: an urban resort that blends the aristocratic elegance of the past with a contemporary spirit, designed for both sophisticated travellers and high-profile events. Located just 2.5 km from Siena's historic centre, the property is set within more than four hectares of parkland, with privileged views over the city skyline and the Val d'Orcia.

Villa Ermellina was reborn through 753 Hospitality Group, in partnership with Marriott International, joining the prestigious Tribute Portfolio collection – Marriott's brand dedicated to independent hotels with distinctive character and a strong sense of place.

"A place where Tuscan heritage and contemporary refinement converge, embracing the legacy of Marchesa Ermellina and transforming it into a unique sensory experience."

History and Identity

The Villa Today

Once the country residence of Siena's noble Bargagli family and later home to Hotel Garden for sixty years, the villa takes its name from Ermellina Bargagli Stoffi, a spirited 19th-century Marchesa and tireless ambassador for the city she loved.

In 2025, 753 Hospitality restored the property to the vocation that has always defined it: welcoming life's most important stories. London-based studio Goddard Littlefair reinterpreted Siena's heritage through a refined palette, bespoke furnishings and atmospheric lighting – a villa where historic architecture and contemporary elegance meet.

A place described in the chronicles of the time as:

"The most beautiful of all the villas surrounding Siena."

HOW TO REACH US

Villa Ermellina is located just 2.5 km from Siena's historic centre, a UNESCO World Heritage Site renowned for the Palio, the Duomo, Piazza del Campo and the exceptional preservation of its medieval urban fabric. Its location is strategic: close enough to provide immediate access to the city, yet far enough away to offer privacy, tranquillity and the sense of escape sought by discerning travellers.

The resort lies in the heart of the Chianti hills, within easy reach of Tuscany's most iconic destinations, including Florence, Montalcino, Montepulciano and the Crete Senesi. An ideal base for multi-day incentive programmes featuring excursions throughout the region, wine tours, gastronomic experiences and cultural visits.

PLAN B

Your special day will be perfect, whatever the weather. Villa Ermellina offers elegant indoor and covered outdoor spaces, designed with the same attention to detail as its open-air settings. Upon request, gazebos or bespoke tensile structures can be arranged in advance.

La Rosa Nobile

Ristorante

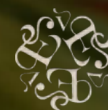

Villa Ermellina's culinary offering accompanies the couple from the first toast to the final dance.

At La Rosa Nobile, every reception begins with a ritual that is already a promise of elegance: fragrant olive oil as a welcome gesture and crystallised rose petals as a sweet farewell. Executive Chef **Andrea Guerrini reinterprets Tuscan cuisine through a contemporary lens, creating a bespoke menu for each celebration.**

As dinner gives way to the night, Bar 18:68, named after the year and time when Ermellina Bargagli Stoffi said “I do”, welcomes guests with a mixology experience that blends the authentic flavours of Tuscany with international influences.

For those seeking a more relaxed moment — from a welcome drink or pre-wedding pool party to brunch the following day — the **Pool Bar**, overlooking the panoramic pools, offers an informal and convivial setting, perfect for extending the celebrations beyond the “I do.”

The Grounds

Sweeping views of the villa and its panoramic pools, a quiet prelude to the celebrations ahead.

The Terrace & Gardens

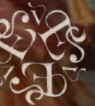

shaded paths and sweeping views, the perfect backdrop for quiet moments between celebrations.

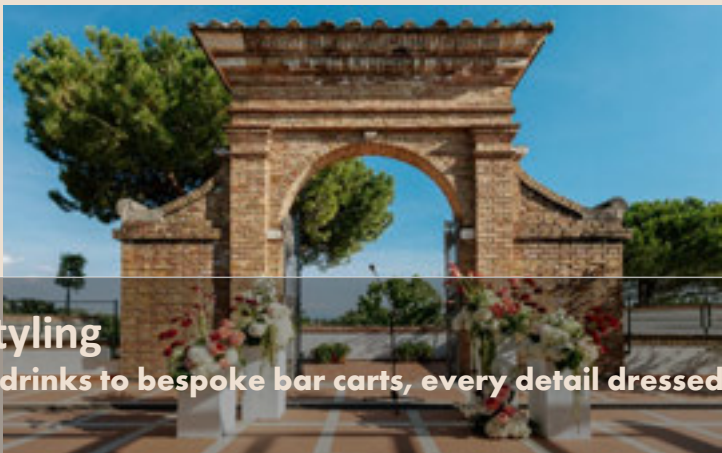

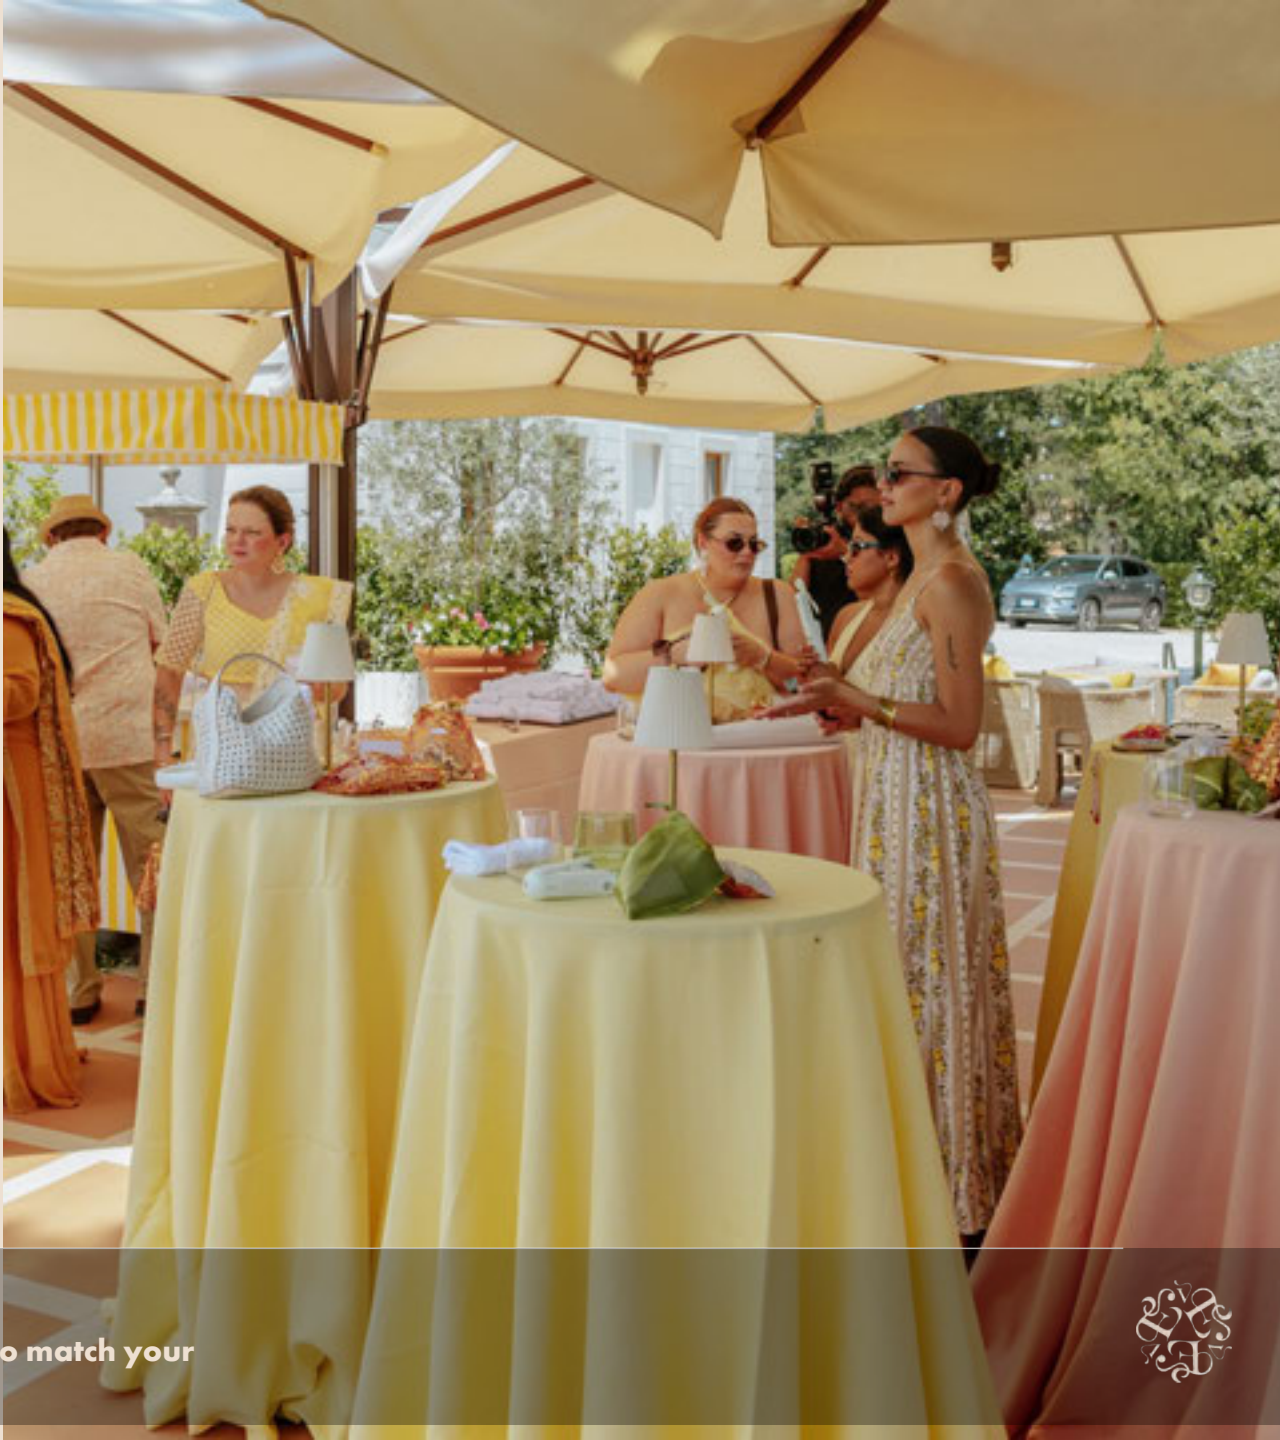

Ceremonies, Your Way

Villa Ermellina welcomes ceremonies rooted in every tradition, styled to reflect who you are.

Cocktail Hour Styling
from citrus-forward drinks to bespoke bar carts, every detail dressed to match your palette.

Golden Hour
